Made with GAMMA

Comprehensive Digital Services for Your Fintech Platform

Our white-label solution equips you with a vast array of 11 essential digital services, ready for immediate deployment under your brand name. Cater to diverse customer needs and expand your revenue streams significantly.

AEPS Services

Aadhaar Enabled Payment System for easy cash withdrawals and balance inquiries, bringing banking to rural areas.

BBPS Services

Bharat Bill Payment System for seamless utility bill payments, offering convenience and reliability to your customers.

DMT Services

Domestic Money Transfer for quick and secure remittances, enabling hassle-free fund transfers across India.

Recharge Services

Instant mobile and DTH recharges, offering a convenient way for users to top up their services.

PAN Services

Facilitate PAN card applications and corrections, a crucial service for financial transactions and tax purposes.

Multi-Brand Loan Services

Offer a diverse portfolio of loans: Personal, Business, Gold, and Education loans through multiple leading financial institutions.

Bank Account Opening

Enable customers to open bank accounts, including #E8AF3B Zero Balance options, simplifying banking access for everyone.

Credit Card Services

Assist customers with credit card applications from various banks, providing comprehensive guidance through the entire process.

Insurance POSP

Become a Point of Sales Person (POSP) for Life, Health, and Vehicle insurance, offering high commissions and free training.

CA & Accounting Services

Provide essential services like ITR filing, GST consultation, MSME registration, Trademark, and ISO certifications.

Legal Drafting & Consultation

Offer crucial legal support including drafting Agreements, Affidavits, and assisting with Court Petitions.

Expand Your Business Horizons with Essential Services

Beyond core fintech, our platform integrates critical services that broaden your market reach and deepen customer engagement, making your white-label brand a one-stop solution.

Company Compliance

Guide businesses through crucial regulatory frameworks. From ROC filings (Registrar of Companies) to drafting MoA (Memorandum of Association) and AoA (Articles of Association), and policy development, ensure your clients remain compliant and operational.

Education & Admission Referral Portal

Tap into the booming education sector. Provide referrals for Undergraduate (UG) and Postgraduate (PG) courses, Professional courses, and various certification programs. Explore attractive franchise options to extend your reach in this vital domain.

IT Services

Offer comprehensive IT solutions under your brand. This includes professional Website and Mobile App Development, robust SEO strategies to boost online visibility, targeted Digital Marketing campaigns, and access to Verified Leads to accelerate client acquisition.

Bank CSP & BC Point (Coming Soon)

Anticipate future opportunities! We are soon integrating Bank Customer Service Point (CSP) and Business Correspondent (BC) Point services, enabling you to act as an extended arm of banks, providing crucial banking services in underserved areas.

Seamless Management with Role-Based Access

Our robust platform is designed for scalable growth, offering distinct, secure login portals for every level of your business hierarchy. This ensures efficient management, enhanced security, and streamlined operations across your entire network.

1 Admin Panel Login

Gain complete control over your white-label platform. Manage all operations, oversee user activities, track transactions, and configure settings from a centralized, powerful dashboard.

2 Super Distributor Login

Empower your top-tier partners. Super Distributors can manage multiple Master Distributors, onboard new partners, and gain a comprehensive overview of their network's performance and earnings.

3 Master Distributor Login

Facilitate growth for your key regional partners. Master Distributors can efficiently manage a network of Distributors and Retailers, monitor their sales, and provide localized support.

4 Distributor Login

Equip your Distributors with tools to onboard and manage Retailers, track their transactions, and ensure smooth service delivery within their assigned territories.

5 Retailer Login

Provide your frontline service providers with an intuitive interface to offer all digital services to end-customers, process transactions, and manage their daily operations effectively.

Elevate Your Brand with Our Super Branding Kit

Make an unforgettable impression with our exclusive Super Branding Kit. Designed to instil trust and project a professional "showroom look," this kit instantly elevates your brand value and recognition among your customers and partners.
